

Sports Premium at Parkwood

Vision

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Aim

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Impact 2015/16

Area of focus	Intended impact	Impact
Staff CPD	Staff to feel more confident in delivering a wide range of activities to a high standard. Children will therefore have access to a broader curriculum.	100% of staff said they felt more confident in teaching and assessing gymnastics after CPD. All children participated in 'good' gymnastics lessons in line with the new curriculum.
Subscription to the Chelmsford School Sports Partnership	Staff to have access to high quality CPD, PLT to attend training days to maintain most recent updated on PE and school sport, children to have access to a range of level 2 and 3 sports competitions. To build links with other schools and clubs to enhance the provision of PE at Parkwood.	More children than ever competed in level two and the school won their first ever medal at a level two competition! School PE is now consistently good and our curriculum was adapted to the needs of the children, in line with the new curriculum and in reflection from a PLT training day.
Updating and replacing resources	All children to have access to high quality resources in order to practise the skills required to make progress in PE.	Resources were updated allowing every child access to high quality resources without having to share which enables greater differentiation and inclusion in all lessons. Specialised equipment for EYFS was bought allowing for further differentiation and challenge within the fundamental movement skills.
Increasing the variety of extra-curricular opportunities	Children will develop a more positive physical literacy with access to a wider range of extra-curricular clubs	Qualified coaches delivered a range of different sports at lunchtimes, accessed by all children, increasing the range of sports the children participated in. They also ran after school clubs including basketball and athletics.
Increasing participation in competitive sports by providing transport	Children to have access to a wider range of extra-curricular opportunities	More competitions were attended than in the previous year. Next school year we aim to continue to develop the transport arrangements to allow further access to different competitions.
Supplying reserve kit for each class to maximize participation levels	All children will have the correct equipment to maximise participation on curriculum lessons	100% of pupils now take part in 2 hours high quality PE a week.
