e-safety

What is e-safety?

At Parkwood Academy, e-safety refers to the responsibility of ensuring that children learn how to stay safe when using technology. We take it really seriously. There is a need for e-safety awareness to be developed among the whole learning community: in school, pupils are able to elaborate on the types of e-safety threats that exist and how to deal with them. There is also a need for awareness outside of school where the access to technology is potentially less structured or filtered.

Key messages to share with children

- * Never share anything with anyone they wouldn't want you or their teacher to see.
- * Make sure they know who to talk to if they feel uncomfortable, upset or worried.
- * Never communicate online with anyone they don't know and trust in the real world.
- * Keep personal information private – If they are not sure, check with you or a teacher.
- * Don't send anything to anyone you wouldn't want to receive yourself and don't share other people's content.

Top Tips for parents

- ♦ Set boundaries in the online world just as you would in the real world.
- ♦ Be involved in your child's online life.
- ♦ Keep up-to-date with your child's development online.
- ♦ Consider the use of parental controls on devices that link to the internet, such as the TV, laptops, computers, games consoles and mobile phones.
- ♦ Emphasise that not everyone is who they say they are.
- ♦ Know what connects to the internet and how.
- ♦ Watch [Thinkuknow](#) films to learn more.
- ♦ Get the technology out of the bedroom.
- ♦ PEGI ratings advise which games are appropriate for which age: they protect children from extreme scenes in many cases, so please take notice of them.

If you have any concerns about the e-safety of any pupils at the school, you can contact the school and ask for one of our Designated Child Protection Officers.

**Well done to 6N class
for best attendance of the week 95.38%.**

**We are kind and caring, We respect others, We are sensible,
We include everyone, We look after school property, We listen carefully.**

Star of the Week

Jaylen R, Zuzanna H, Skye S,
Connor T, Max W

Well Done!!

Stars will attend a special free school lunch on Monday 6th February. The children will also invite an adult to sit with them, who this week is Mrs Oppé

DATES FOR YOUR DIARY

Thurs 9th Feb

Years 2 & 6 - Forest School
(come to school with change of clothing)

Thurs 9th Feb

KS1&2 Maths Workshop

Thurs 9th Feb

Parent workshop for Eleven Plus

Thurs 9th Feb

Storyteller session (Rec & Yr1) 5:30 pm

Fri 10th Feb

Year 5 - Swimming

Fri 10th Feb

Last day of half term

Mon 20th Feb

Non-pupil day

Tues 21st Feb

Children back to school

Certificates

Writer of the Week

Lucas H, Yasmin C, Avni L

Reader of the Week

Ryan-Lee G, Jordan W,
Connor-Lee T, Gracie E, Rushi P

Maths Award of the Week

Paige S, Jessica P, Molly K,
Brandon S, Grace B, Paulina Z

EARRINGS and P.E.

Can we please remind parents/carers that children must not wear earrings when taking part in PE lessons. On the days when your child has PE, please ensure that any earrings are removed. Unfortunately, staff are unable to assist children removing earrings and it is no longer appropriate to use tape to cover earrings. It is also important for children to have their PE kits in school at all times so that they are able to make the most of, not just scheduled PE sessions, but other activities linked to the wider curriculum which involve physical exercise.

Eleven Plus Information Meeting

On Thursday 9th February at 3:20, parents of years 3, 4 and 5 are invited to come along to a meeting, with their children, to find out more about the Eleven Plus entrance exam. Representatives from both KEGs and CCHS will be present at the meeting to answer all of your questions and to explain the application process. Refreshments will be provided.

Maths Workshops for Parents

On Thursday 9th February at 3:35pm, parents, carers and their children are invited to come along to find out more about the maths that children are learning about in school. You will also find out about the calculations that we use and find out how you can support your child at home. Refreshments will be provided.
