

Sports Premium at Parkwood

2020-2021

Vision

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Aim

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Schools must use the Sports Premium Funding to make addition and sustainable improvements to the quality of PE and Sport offered. This means that the premium should be used to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity- the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 should be in school
2. The profile of PE and sport raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. During the academic year 2020-2021, Parkwood Academy will receive £17,690.

We plan to spend our funding on the following areas;

Area of Focus	What will the money be spent on?	How much?	Intended Impact
Sports Partnership- CDP and competition. The profile of PE is raised across the school as a tool for whole-school improvement.	- Subscription to the School Sport Partnership	£800	Quality of PE teaching and learning will increase as a result of staff attending CPD. Amount of children participating in Level 2 and Level 3 competitions will increase. School curriculum provides a broad range of sports and experiences as a result of partnership support and CPD.
Raising engagement in PE and School Sport. Broaden experience of sports and activities. Increase engagement in Level 2 and Level 3 competitions.	-Dance Club -Football Club -Wellbeing Club -Karate Club -Daily Mile -Change for Life Club	£3000	Club links will improve and more children will attend extra-curricular clubs. School clubs will feed into clubs run outside of school to promote a healthy, active lifestyle. All children will have access to high quality extra-curricular provision, run by qualified sports coaches for free. All children, including target groups, will participate in physical activity at lunch or after school.
Ensure children have access to equipment in line with COVID-19 Risk Assessments	Equipment for PE lessons in-line with new long term plan. I-pads/ tablets for recording and assessment during PE lessons and clubs.	£7110	PE and school sport will continue in a COVID secure way. Children will have access to a broad range of sports and activities during lesson time. Children will have access to 1:1 equipment, resulting in skill levels improving. Lessons will be differentiated using the STEP model and an increase in the diversity of equipment will

			aid this. SEN children will feel confident and happy when taking part in PE. Self-assessment and teacher assessment will become more accurate through the use of i-pads or tablets, which in turn will impact positively on progress.
Increased Participation in PE and Competitive Sport.	<ul style="list-style-type: none"> -Team kit for children to wear to competitions (gymnastics, football, cheerleading, tracksuits) -Spare PE kit for disadvantaged and each class -Spare trainers for each class -Staff kit 	£3000	<p>All children will be able to participate in PE lessons safely.</p> <p>Morale and pride will be boosted when participating in competitions. This will lead to increased participation in competitive sport.</p> <p>Children will be participating safely in PE and school sport due to wearing the appropriate kit. Adults will raise the profile of PE and model safety in PE by wearing correct PE kit.</p>
30+ minutes of physical activity during the school day	<ul style="list-style-type: none"> -Release and CPD for PE lead for up-skilling teachers, LSAs and HLTAs in high quality deliver of PE and school sport lead -Equipment for playground 	£3000	<p>The profile of PE and sport will be raised across the school as children will have access to a wide range of different activities. Adults will feel confident in planning and delivering a range of physical activities in order to engage all children in 30+ minutes of physical activity in school.</p>
