

School Clubs

At Parkwood Academy we are very proud of the fantastic variety of clubs we have to choose from, for both KS1 and KS2! Not all our clubs are after school either, some start before school too!

As you would expect all our clubs are extremely popular – sign up as soon as possible when clubs become available to avoid disappointment!

After School Clubs

You will find details of all the clubs that are on offer this term in the children's section of our website or click the direct link below:

Breakfast Club

Everyone knows the importance of a good breakfast to start your day. Here at Parkwood Academy, we recognise this fact and encourage our pupils to make sure they have a good breakfast to fuel the mind ready for a full day of learning. At our breakfast club an array of cereals or toast are always available and on some days, there may be some extra special hot treats! The children can have a hot or cold drink to go with their breakfast too. We have various games for the children to use after their breakfast, or they can just sit and chat with their friends.

Children can attend every day, or just one or two days each week – the choice is yours. Cost: only £2.00 per day. Please contact our school office to book your place.
