A Primary and Nursery School for the Community

Nursery

Are you looking for an nursery school for your child?

Come and see what we have to offer ...

“Everyone looks after each other in this friendly school. Pupils are kind. For instance, pupils will check that their friend is OK when they fall over in the playground. The youngest children also play well together, inviting friends to play hopscotch and taking it in turns to share equipment. Pupils are safe and say they feel safe at school. They trust adults to deal with any concerns they have, including bullying.” OFSTED, 2022 **Places available now! We are also enrolling for September 2024**
